

Brief program of the XII Congress and Exhibition «Non-ferrous metals and minerals -2024»

| | | | |
|---------------------|---------------------------|--|--|
| Monday, 9 Sept. | 11.00-13.00 | Round table “Aluminium: New horizons for industrial design” | Big Hall, 2nd fl. |
| | 13.00-17.00 | Exhibition Booths installation | Exhibition Hall №1 |
| | 16.00-18.00 | Congress and Exhibition registration | Exhibition Hall №1 |
| Tuesday, 10 Sept. | 8.00-10.00 | Congress and Exhibition registration | Exhibition Hall №1 |
| | 9.30-10.00 | Presentation of the Exhibition | Exhibition Hall №1 |
| | 10.00-10.45 | <i>Congress and Exhibition opening ceremony</i> | Hall |
| | 11.00-14.50 | Plenary session of the Conference “Aluminium of Siberia” | Hall №3 |
| | 11.00-13.00 | Panel discussion “Personnel is the keys for everything: how can a young person prepare for the unknown?” | “Amphitheatre”, 3rd fl. |
| | 14.30-16.45 | Final of the National Championship on Technological Strategy in Mechanical Engineering «Mechanical Cup» | Grand Hall №4, 4 th floor |
| | 13.30-17.10 | Section «Casting and new materials» | “Amphitheatre”, 3rd fl. |
| | 14.00-16.00 | Round table «Problems of engineering education: challenges and reality» | Grand Hall №2, 2 nd fl. |
| | 16.00-18.00 | Round table «Ecology and recycling of metallurgical wastes» | Grand Hall №3, 2 nd fl. |
| | 14.30-17.30 | Round table «Engineering of the production of equipment for the aluminum industry» | Big Hall, 2nd fl. |
| | 15.30-17.30 | Section «Aluminium reduction technology» | Hall №3 |
| | 9.00-18.00 | Exhibition | Exhibition Hall №1 |
| | 18.30-21.00 | <i>Opening reception</i> | Ceremonial Hall, Grand Hall |
| Wednesday, 11 Sept. | 9.00-17.20 | Section “Alumina production” | Big Hall, 2nd fl. |
| | 9.00-17.40 | Section «Aluminium reduction technology» | Hall №3 |
| | 9.00-17.40 | Section «Casting and new materials» | “Amphitheatre”, 3rd fl. |
| | 9.00-17.00 | Section «Metallurgy of non-ferrous metals” | Grand Hall №3, 2 nd floor |
| | 9.00-16.50 | Section “Beneficiation technology of non-ferrous, rare and precious metals ores” | Grand Hall №2, 2 nd floor |
| | 10.00-12.30 | Technical seminar «Prosoft-Systems’s automation solutions for industrial enterprises and power industries» | Middle Hall |
| | 12.00-14.00 | Seminar of the company RCC LABTEST “Equipment for analysis of composition and properties in metallurgical and mining and chemistry industries” | Small Hall |
| | 15.00-17.00 | Round table “Development of aluminium reduction cell” | Small Hall |
| | 9.00-17.30 | Exhibition | Exhibition Hall №1 |
| | 18.00-21.30 | <u><i>Cultural trips:</i></u> • Siberian Extreme • Boat cruise on the Yenisei river | Departure from business center “Siberia” |
| Thursday, 12 Sept. | 9.00-17.00 | Section «Alumina production» | Big Hall, 2nd fl. |
| | 9.00-10.30 | Section «Aluminium reduction technology» | Hall №3 |
| | 10:50-17:10 | Section «Carbon materials» | Hall №3 |
| | 9.00-10.20 | Section «Casting and new materials» | “Amphitheatre”, 3rd fl. |
| | 10.40-15.10 | Section «Pressure treatment of aluminium and alloys” | “Amphitheatre”, 3rd fl. |
| | 15.30-17.50 | Section “Metal science of aluminium and alloys – Biron’s memory readings” | “Amphitheatre”, 3rd fl. |
| | 9.00-13.30 | Section «Metallurgy of non-ferrous metals” | Grand Hall №3, 2 nd floor |
| | 9.00-12.30 | Section “Metallurgy of precious metals” | Grand Hall №2, 2 nd floor |
| | 13.00-17.40 | Section “Metallurgy of rare metals” | Grand Hall №2, 2 nd floor |
| | 9.00-15.10 | Conference “Mineral and raw materials sources of non-ferrous and precious metals” | Middle Hall |
| | 10.00-12.00 | Seminar of the company “IMC Group” “Modern analytical equipment for production and scientific researches” | Small Hall |
| | 13.00-17.30 | Round table “12 Quality Gates” | Small Hall |
| | 9.00-16.00 | Exhibition | Exhibition Hall №1 |
| | 18.00-21.30 | <i>Boat cruise on the Yenisei river</i> | Departure from business center “Siberia” |
| Friday, 13 Sept. | <u>Excursions:</u> | | Departure from business center “Siberia” |
| | 8.00-18.00 | Achinsk alumina refinery | |
| | 9.00-12.30 | 10.30-14.00 Krasnoyarsk smelter | |
| | 8.30-12.00 | 13.00-16.00 Krasnoyarsk Non-ferrous metals plant | |
| | 8.30-12.30 | 12.30-16.30 Scientific Research Center «POLYUS GOLD Krasnoyarsk» | |
| | 9.00-15.00 | National Park “Stolby” | |
